

PIXELCRAFT

MINECRAFT CLUB

Hello, we're Miles and Aston Raba we are 12 years old, and we LOVE Minecraft, and we have been running a Minecraft club called PixelCraft. The purpose of this club was to find other people who love Minecraft as much as we do, make some new friends and have lots of fun. We thought we would re-advertise our club in case anyone else would like to join us.

PixelCraft is made up of two parts:

Monday's 9am – 10am on our realm using vanilla Minecraft in survival mode. Here we will build up a group world, where each of us can build whatever we like, and explore each other's creations.

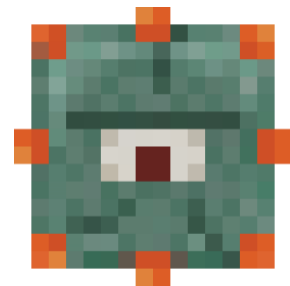

Monday's 10am – 11am mini-games on our realm (or other mini-games that the group decide on together)

During the sessions we can type-talk to each other through the Minecraft chat bar and discord which you can download here <https://discordapp.com/>

PixelCraft is open to children the age of 8+. It will be hosted on a dedicated realm which will be moderated by our mum, Liz. The realm will be active on Monday Mornings between 9:00 and 11am. (starting Monday 2nd July)

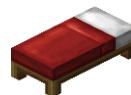

If you would like to join the club you will need:

- Access to a computer with the latest version of Minecraft
- Internet connection to be able to join the realm
- Knowledge of playing Minecraft survival mode
- And a discord account (if you want to join in the voice chat)

By requesting to join this club we ask you to agree to the following PixelCraft rules:

- No cheats
- No griefing (destroying other players/their stuff)
- Respect each other
- Use Kind Language

If you would like to take part, then drop us an email at: info@mcpixelcraft.co.uk with the following information:

- Your first and last name
- Your age
- Your Minecraft username
- And your discord username and tag number

Once you have joined we will then send you the realm invite, along with instructions on how to join the realm, ready for the first session on Mon 2nd July

We also hold meet ups at our house in Hemel Hempstead so that we can all come together and play around our kitchen table...we can make a plan for the next meet up soon.

Here are our Minecraft skins
